Summary Description

The pet products division are a part of a company that the owners are breaking out and selling as an individual company. The owners have developed three pet skin care products/formulations. They have valued the formulas at \$9,000 and are included in the sale of the business. Included are four Pet Soft Goods Designs. These products are Pet Carriers, Collars w/stones, collars w/o stones and a pet leash. The sale includes the trademarks, web site, marketing materials, AB logos, graphics, bottles, tops, labels, UPC codes etc. The products are here and ready to go. Take your marketing skills and grow your own company. Designs valued at \$14,000 Formulations valued at \$9,000 Inventory at \$18,000 Trademarks valued at \$20,000 and miscellaneous items valued at \$10,000 All included in the asking price of \$60,000

General Information

Facilities (Home Based): The business is currently operated out of the home. All sales are internet based and sold retail or wholesale to a few retailers. The business can be moved to a new location with ease.

Competition: There are very few organic pet products on the market.

Growth and Expansion: The sellers do not have the financial resources to market the products to increase sales. With knowledge of web based sales a new owner could expand the sales substantially

Support/Training: The sellers will provide the necessary training to ensure a smooth transition of ownership.

Reason Selling: Other Business Interests
